

STRIVERS Visit Museum

Recently members of the Stratford STRIVE program visited the Stratford Veterans Museum to meet some of the volunteers and learn a bit about their country's and town's history. Here are some of the wonderful thankyou's they sent.

- Thank you so much for your amazing tour. I really enjoyed learning about all the Wars and Military Branches. I loved everything about the museum. Thank you for your kindness and smiles. One thing that I learned is the difference between a Blue Star and a Gold Star. Also, thank you for the food and drinks. It was very kind of you guys to do that for us. We hope we see you guys really soon. Hope we can meet again. Have a lovely day.
