

CLASS TRIP APPLICATION

Stratford Veterans Museum

5952 Main Street, Stratford, CT 06614

Visit website: stfdveteransmuseum.org

Class trips are available to visit the Stratford Veterans Museum at Boothe Memorial Park.

One of the most important goals of the Stratford Veterans Museum is to bring school children on class trips to the museum. We believe that a visit to the museum affords us the opportunity to make school children aware of the accomplishments of our Stratford veterans. They will have the opportunity to learn why we should honor and respect our Stratford servicemen and women for their commitment to serve and protect our country.

Our website features resources for pre/post lessons linked to Facebook/Youtube/OtoCast.
