Student Class Trip Fact Sheet

At the Veterans Museum, students will learn about our town's history and the stories of Stratford veterans through a guided tour & interactive activities.

The Museum is housed in a two-story historic homestead located at Boothe Memorial Park. The first floor is handicapped accessible and an accessible restroom.

Field trips can be scheduled during the school day. The duration of the tour is approximately two (2) hours.

The Stratford Veterans Museum will cover 100 percent of bus costs.

You will be contacted by a museum representative upon the submission of the Class Trip Application. The application has fillable fields. Complete the form, save it to your desktop as a copy for yourself, and email it to the Stratford Veterans Museum at svm5952@gmail.com or bmastroni@gmail .com

Stratford veterans and Museum volunteers will conduct the tours.

The Stratford Veterans Museum can accommodate three (3) groups of ten (10) students per visiting group. Each group must be accompanied by a teacher/chaperone at all times.

What to expect when your group visits the Stratford Veterans Museum:

First Floor

- Exhibit Room – A chronological history of Stratford and our veterans
- Blue Star Room – Photos of Stratford veterans
- Display of uniforms and medals

Second Floor

- Introduction/review of museum in our historic classroom
- Gold Star Room – Remembering Stratford veterans who gave their lives in war.
- Oculus Virtual Reality Experience

Patio and Lower Level

- Mural designed and painted by Bunnell High School Art Students
- Replica World War One Trench
- Flight Simulator
- Touch Table of Military Personnel Equipment and Combat Gear
- DANGER LAND-MINES encounter
